EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Carl Brundidge on 5-16-5.

3. The application has been amended as follows:

Claim 1, line 11:

---as a key of a hash function--- had been inserted after the word "computer".

Claim 6, line 4:

---as a key of a hash function--- had been inserted after the word "computer".

4. The following is an examiner's statement of reasons for allowance:

Regarding claims 1-5, the prior art of the record fails to teach or suggest a network data communication system for a network data communication, comprising "said proxy registration table contains a network address of said second computer as a key of a hash function and communication parameter designating a communication method to be employed in communication between said communication proxy process

and said second computer," in combination with other limitations, as specified in the independent claim 1.

Regarding claims 6-10, the prior art of the record fails to teach or suggest a third computer connected to both a first network to which a first computer is connected and a second network to which a second computer is connected, comprising "a registration table for registering a network address of said second computer as a key of a hash function; and means for searching the registration table when a communication packet which is not directed to said third computer is received and selecting or setting a communication method based on a result of searching the registration table thereby conducting communication including receiving and transmitting using the selected or set communication method," in combination with other limitations, as specified in the independent claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
